

# 5 Mantra's for Retail Investor

By Warren Buffett

# Meet the man who made billions from patience, not panic.

**Warren Buffett.**

**Age: 93**

**Net worth: ₹10 lakh crore+**

And still... he explains investing like your dad does  
over Sunday chai.

Let's decode 5 of his simplest investing mantras  
— **Buffett style**

# Buy a business, not a stock.

**Buffett's Mantra:** Don't get attracted by rising stock prices. Understand the business first.

**Instead of asking** “Titan ka share kitne ka hai?”,

**Ask:** “Will people still buy jewellery during weddings?”

 **FY20:** ₹20,000 Cr revenue

 **FY25:** ₹60,000 Cr revenue

Buffett ke liye, Titan ek jewellery company thi — not just a stock.

# Be greedy when others are fearful

**Buffett's Mantra:** Market girta hai toh log bhaagte hain. Buffett kharidta hai.

March 2020 – Covid ke time,  
HDFC Bank ka share ₹740 pe aa gaya.  
Sab darte rahe.

But jin logon ne tab kharida...

Aaj wohi share **₹1,900+ ke upar hai!**

# Never lose money

**Buffett's Mantra:**

**Pehla rule:** paisa mat khona.

**Dusra rule:** Pehla rule yaad rakho.

**Yes Bank 2018 = ₹400+**

**Aaj = ₹20**

Fast return ke chakkar mein fundamentals bhool gaye log.

**Don't run after tips. Run after truth.**

## Transfer money from the impatient to the patient.

### Buffett's Mantra:

Jaldi paisa chahiye toh share market se door raho.

**Infosys in 2005 = ₹40 (adjusted).**

Today? **₹1,500+.**

Log 6 mahine mein paisa double karna chahte hai.

But Buffett ne bola – Sabar rakho. Time tumhare paise ko kaam pe lagata hai.

# Invest in what you understand

## Buffett's Mantra:

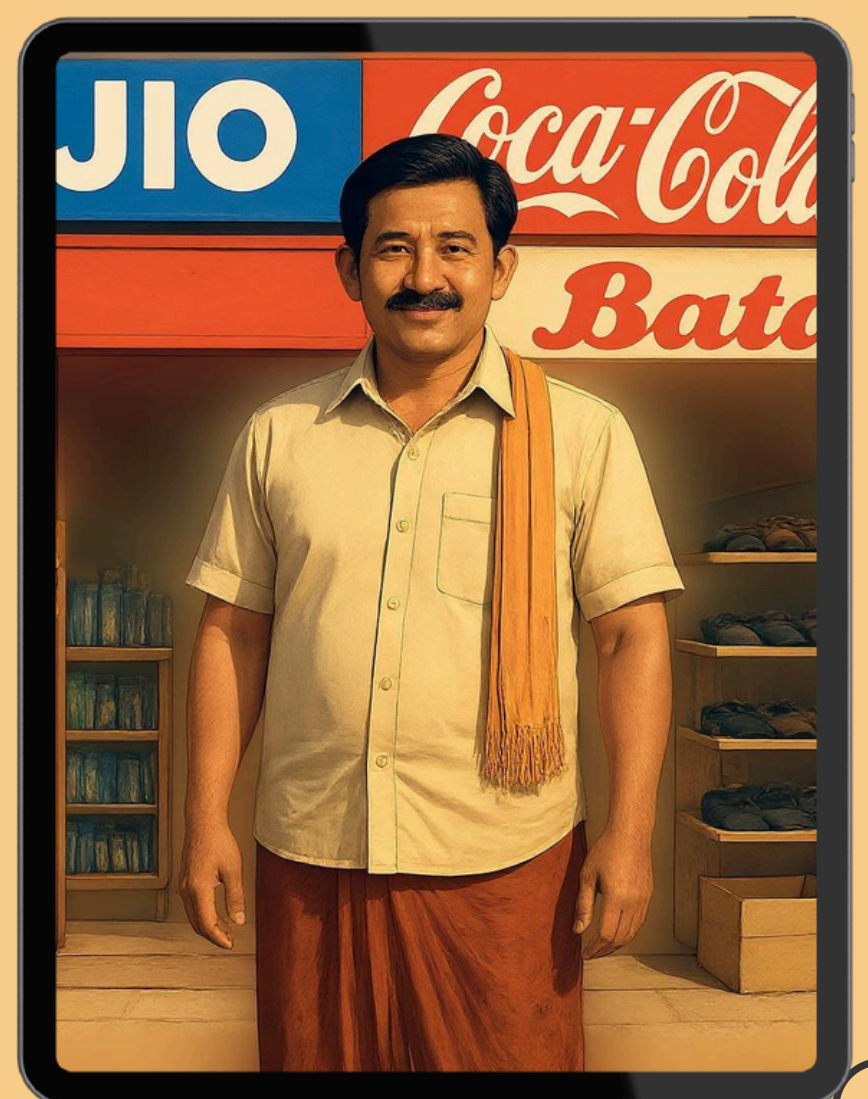

Apna dimaag lagao. Don't act smart. Act sensible.

Agar aap Jio use karte ho, Coca-Cola peete ho, Bata ke shoes pehente ho —

Toh aapko in companies ka model samajh aata hai.

Samajh nahi aata?

Toh mat invest karo. Simple.

# **Aakhri Baat —**

## **Buffett se seekho, market se nahi pango.**

**You don't need an MBA or PhD.**
